ABOUT THE FESTIVAL

Now in its twelfth season, Halcyon Music Festival is one of New England’s most exciting summer chamber music festivals. Based in the Portsmouth, New Hampshire area, the Festival brings together world-class artists and young professionals of the highest caliber to live, work, and perform.

HMF strives to create a community that will inspire great musicians to collaborate at the highest professional level.

HMF presents passionate, compelling performances, with a focus on providing opportunities for enrichment to people of all ages and levels of musical experience.

HMF aims to make chamber music accessible to all, including those who might not otherwise experience it in concert halls. HMF is also committed to supporting the arts in the Seacoast, and seeks to enhance the growth of chamber music on a local and national level.
